Hi Karen - This is the Juneau County report we were emailing about on Friday. I tried to send it to the r5websupport but it says the file is too large. For some reason, it can be emailed internally but not there. Anyhow, can you please direct this to the right folks and ask them to post on our Juneau County website:  
<https://www.epa.gov/wi/juneau-county-groundwater-screening-investigation>

Let me know if you need anything further. Thanks.

[REDACTED] I can't access sharepoint from here to send the file to Zellmer and don't know if Chuck is around to send to Mr. Crass.

It still needs to be sent to R5websupport with desk statement to make the file 508 compliant. Given that it's 2:30, I think we should hold off until Tues so we can mail the document first thing in the am to WDNR and Crass, and then upload to web after lunch.

Anyone disagree?
